

FALL NEWSLETTER

VBS Kids Helping Kids!

Grunthal Community VBS sent gift bags for each child (similar to Operation Christmas Child boxes). These bags were filled with school supplies, French books, hygiene items, and small toys along with a personal card from a child. Our MOF kids were thrilled to receive these personal ziplock bags!

Sunday School Kids raised \$1000.00 for Caterpillars!

Caterpillars are a source of protein in the D.R.Congo. Our kids were thrilled to receive these large sacks of caterpillars. They are often fried and eaten with a starch.

WHAT'S NEW AT MOF?

5 GRADUATES!

We have 5 graduates from high school at MOF this fall! All five of our children want to continue their education, however the funding is not available to them currently. If you are interested in helping one of our graduates, please contact someone on the MOF board. We would love to hear from you! They will be leaving the orphanage soon to spread their wings and live in the world. Please pray for these 2 boys and 3 girls as they start their adulthood with very little family support.

WHEEL-A-THON SUCCESS!

A group of 30 young and energetic cyclists participated in our 2023 Wheel-a-thon on a beautiful day at Abe's Hill park in Steinbach. Along with corporate sponsors and generous donors, the event raised around \$8000.00. This will be enough, along with monthly donors, to keep the home running for a couple months. Thanks to all who gave and came out to participate.

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers."
Galatians 6:9-10

Meet EVE (18yrs old)

Eve is one of our graduates this fall. This is some of what she wrote to the MOF board and donors:

"I want to take a few moments to express my sincere gratitude for all the support you have given me in my quest to graduate. When I joined your orphanage, I found myself in the midst of a now loving and caring family. Your dedicated team constantly looked after me, offering the love and support I needed and provided me with the resources I need to have a solid education."
